**Dear Hiring Professional,**

I was motivated to contact you upon learning that (Company Name) has an opening for a new Front-end web developer. For several years I Have focused my career path and academic pursuits on learning and developing those all-important skills necessary to be great in this type of role.

I believe being genuine and nurturing, along with professional and driven, is an essential combination for people in my field. I possess React.js, JavasCript, Es6, MongoDB, Node.js skills. Additionally, my abilities extend to management and innovation with proficiency in customer service. Working with people from diverse backgrounds has provided me with a deep understanding and awareness of differences in both individuals and organizations. These qualities will help to support Your Company mission while reflecting positively on the professionalism and competencies in its employees.

For further details of my qualifications, background, and contributions, please take a moment to review my enclosed resume. I believe that I can successfully be the Front-end web developer you're seeking and I welcome the opportunity to speak with you at your earliest convenience.

Sincerely,  
**Farjana Islam.**
